(b) Approved food stores; receipt of cash in change for coupons used to purchase food

Coupons issued to eligible households shall be used by them only to purchase food in retail food stores which have been approved for participation in the food stamp program at prices prevailing in such stores: *Provided*, That nothing in this chapter shall be construed as authorizing the Secretary to specify the prices at which food may be sold by wholesale food concerns or retail food stores: *Provided further*, That eligible households using coupons to purchase food may receive cash in change therefor so long as the cash received does not equal or exceed the value of the lowest coupon denomination issued.

(c) Design of coupons

(d) Coupon level inventories; monitorship; monthly operations report

The Secretary shall develop an appropriate procedure for determining and monitoring the level of coupon inventories in the hands of coupon issuers for the purpose of providing that such inventories are at proper levels (taking into consideration the historical and projected volume of coupon distribution by such issuers). Such procedures shall provide that coupon inventories in the hands of such issuers are not in excess of the reasonable needs of such issuers taking into consideration the ease with which such coupon inventories may be resupplied. The Secretary shall require each coupon issuer at intervals prescribed by the Secretary, but not less often than monthly, to send to the Secretary or the Secretary's designee, which may include the State agency, a written report of the issuer's operations during such period. In addition to other information deemed by the Secretary to be appropriate, the Secretary shall require that the report contain an oath, or affirmation, signed by the coupon issuer, or in the case of a corporation or other entity not a natural person, by an appropriate official of the coupon issuer, certifying that the information contained in the report is true and correct to the best of such person's knowledge and belief.

(e) Delivery and control procedures

The Secretary shall prescribe appropriate procedures for the delivery of coupons to coupon is-

(g) Alternative system or documents; costs

(1) If the Secretary determines, in consultation with the Inspector General of the Department of Agriculture, that it would improve the integrity of the food stamp program, the Secretary shall require a State agency—

(A) to issue or deliver coupons using alternative methods, including an automatic data processing and information retrieval system; or

(B) to issue, in lieu of coupons, reusable documents to be used as part of an automatic data processing and information retrieval system and to be presented by, and returned to, recipients at retail food stores for the purpose of purchasing food.

(2) The cost of documents or systems that may be required pursuant to this subsection may not be imposed upon a retail food store participating in the food stamp program.

(2) Any procedure established under paragraph (1) shall not reduce the allotment of any household and shall ensure that no household experiences an interval between issuances of more than 40 days. The procedure may include issuing a household's benefits in more than one issuance.

(i) Electronic benefit transfers

(B) any special equipment necessary to allow households to purchase food with the benefits issued under this chapter is operational—

- (i) in the case of a participating retail food store in which coupons are used to purchase
